RE: RFLMA Contact Record 2008-03

Dear Mr. Surovchak:

The Colorado Department of Public Health and Environment (CDPHE) has reviewed RFLMA Contact Record 2008-03, which allows investigations of existing water transfer lines to establish their usefulness for anticipated modifications to the Solar Ponds Plume Treatment System. CDPHE approves this contact record without modification.

Please contact me if you have any questions concerning this approval.

Sincerely,

Carl Spreng  
RFLMA Project Coordinator
